RE: Allied Paper, Inc./Portage Cree/Kalamazoo River Superfund Site
Area 2 and Area 3: Alternatives Screening Technical Memorandum (ASTM)
Extension

Dear Mr. Fortenberry:

The U.S. Environmental Protection Agency (EPA) has reviewed the May 13, 2014 and May 21, 2014, letters submitted by Chase Fortenberry of Georgia-Pacific LLC (GP) requesting an extension for submittal of the Area 2 ASTM due to EPA on June 2, 2014; and the Area 3 ASTM due to EPA on May 27, 2014.

The extension was requested to allow EPA time to provide GP feedback on both the Area 2 and Area 3 Supplemental Remedial Investigation reports.

Therefore, EPA grants GP an extension for submittal of the revised Area 2 ASTM until August 1, 2014; and the Area 3 ASTM until August 25, 2014. These revised submittal dates are enforceable milestones pursuant to the 2007 AOC.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "James A. Saric", is positioned above the printed name.
